

# Mike Turner Memorial Foundation

*A Non-Profit Organization Founded in 2008*

UBI #602-813-824      EIN #80-0158739

The Mike Turner Memorial Foundation was recently founded by lifelong friends, Toby Strotz and Quinton Tanner. They started the foundation with the purpose of raising money to benefit local charities and organizations in memory of Mike Turner. Mike was an incredibly generous, giving and compassionate man. He had a flair for life, a love of the outdoors and a passion for music. He died near his home on Pilchuck Creek doing something he loved – fishing. He could always be found either fishing nearby or jamming with his buddies at a local pub.

If Mike were here today, he would be passionately involved in helping raise money for local charities benefiting youth sports, children’s hospital, cancer research or any other cause that would help in need or crisis. Creating the foundation in hopes of helping local charities in his name is the ultimate way of paying respect and honoring Mike’s memory.

Will you please contribute to the Mike Turner Memorial Foundation? All donations are tax deductible.
